

ABOUT THE FAMILY SUPPORT INSTITUTE OF BC

The Family Support Institute of BC (FSI) is a provincial not for profit society committed to supporting families who have a family member with a disability - diagnosed or not. FSI is unique in Canada and the only grass roots family-to-family organization with a broad volunteer base. FSI's supports and services are FREE to any family.

OUR BELIEFS

We honour that the Family Support Institute of BC grew out of an era that did not value the pivotal role of families.

Therefore, we believe:

- Families are the best voice to speak for their unique circumstances
- Families have a critical role in shaping the future for their family members
- Families are the best resource to support one another
- Informed families are more empowered to speak for themselves when needed
- Informed, involved and confident families are the most effective agents for creating social change

OUR FAMILY SUPPORT MODEL

FSI has trained volunteers throughout the province. These volunteers are referred to as "Resource Parents/Peers" (RPs). They all have a family member with a disability. This network supports and connects with families by sharing experiences, expertise, and guidance.

OUR VOLUNTEERS WILL

- Connect by phone, email or in person
- Guide families to community resources
- Attend meetings; take notes; debrief
- Mentor and coach
- Listen and learn
- Share successes and celebrate families
