

BC Accessible Adventure List

Island/Gulf Islands region

📍IMAX® Victoria: IMAX® Victoria will provide 1 admission per visit for an attendant with the purchase of a ticket, or with the use of an IMAX® Victoria Membership, when the Leisure Assistant Pass or Access 2 Entertainment card is presented at the Box Office. The theatre offers monthly sensory-sensitive screenings, intended for guests who find the immersive IMAX® experience prohibitive.

📍Airhouse Nanaimo: Freestyle fun for all ages and levels! Offers sessions designed to provide guests with a more calm and relaxed environment compared to our busier times. Trampolines can be a very therapeutic experience, and we believe everyone can enjoy and benefit from what our facility has to offer. Please note that there is no admission fee for any guests who require additional assistance.

Vancouver Island Adaptive Snowsports:

Wondering if adaptive skiing and snowboarding is for you? Just give it a try for a day! We make your first step into skiing and snowboarding easy.

Our “Have-a-Go” program is about teaching you the snowsport of your choice with trained adaptive snowsport instructors. So you can enjoy coming up to Mt Washington with friends and family. Whether it's adaptive skiing, sit-skiing, snowboarding or Nordic skiing, we'll help you get started!
