📍 Malahat Skywalk: open year round the skywalk is a spiraling ramp tower offering a smooth climb to the top with stunning views of the ocean and forest. The trip back down is even faster with a spiral slide all the way down! There are events running through the summer, food and beverages, and free shuttles from Downtown Victoria (would require purchasing a ticket at the Malahat).

📍 1:1 lessons for swimmers with autism, ADHD, sensory sensitivities, and diverse abilities. Calm, predictable structure with sensory-aware pacing and no forced steps, built around your child's comfort. Our team includes a behaviour interventionist, and we can walk you through the BC Autism Funding Unit (AFU) pathway so lessons may be covered.
